

2012 Price list - ClinPath

Haematology:	Price (£)
Routine haematology:	
RBC, PCV, Hb, MCV, MCHC, total WBC, differential WBC, automated platelet count (manual platelet count recommended for cats – see price below)	16.00
Routine haematology additional to >5 biochemistry tests	11.00
Routine haematology plus pathologist's smear report	25.00
Smear report by pathologist only	11.00
WBC and differential count only	12.00
Reticulocyte count	8.00
Manual platelet, manual RBC or manual total WBC count (each)	11.00
Individual coagulation tests:	
Prothrombin time (PT)	12.00
Activated partial thromboplastin time (APTT)	12.00
Fibrinogen	12.00
D-dimer (canine and equine)	16.50
Coagulation profiles:	
Coagulation profile basic: PT, APTT, fibrinogen	30.00
Coagulation profile full: PT, APTT, fibrinogen, d-dimer (canine and equine)	40.00
Coomb's test (canine)	22.00
Crossmatching donor and recipient blood	25.00

Sample Collection:	
Biobest ClinPath provides either a courier pick up in selected areas or postage paid labels/boxes for the listed samples. Customers making use of the Biobest courier or postage paid service for clinical pathology are welcome to include farm animal serology samples in the same packages at no charge.	

Biochemistry tests:	Price (£)
Individual tests, routine: albumin, ALT, ammonia, amylase, AP, AST, beta-hydroxybutyrate, bile acids, bilirubin, calcium (total), calcium (ionised), chloride, cholesterol, CK, creatinine, gamma globulin, globulin (total), GGT, GLDH, glucose, LDH, lipase, magnesium, NEFA, phosphate, potassium, protein (total), sodium, triglycerides, urea, uric acid	
Up to 4 of the above (each)	7.50
5-9 of the above (each)	5.00
10 or more of the above (each)	4.00
Individual tests, other:	
Canine Prostate Specific Arginine Esterase (CPSE)	30.00
Copper	8.50
Digoxin	24.00
Fructosamine	11.00
Glutathione peroxidase (GSH-Px)	8.50
Haptoglobin	15.00
Lead	13.00
Phenobarbitone	18.00
PLI (canine and feline)	40.00
Potassium bromide	30.00
TLI (canine)	30.00
TLI (feline)	35.00
Troponin I	26.00
Zinc	12.00
Serum protein electrophoresis	25.00
Endocrine tests:	
Cortisol, single	18.00
Cortisol, pre and post	25.00
Cortisol, pre and 2 post	33.00
Total T4	15.00
Free T4	30.00
TSH (canine)	25.00
T4 and TSH (canine)	37.00
ACTH (equine)	23.00
ACTH (other species)	56.00
Insulin	30.00

All prices exclude VAT. Prices are valid until Autumn 2012 unless otherwise notified.
Please contact us for a supply of submission forms or for further details.

Tests are conducted solely under Biobest Laboratories Limited Terms & Conditions of Supply, copies of which are available on our website. Information concerning the test methods employed, sample requirements and test pricing is available on our website (www.biobest.co.uk) or on request.

2012 Price list - ClinPath

Profiles:	Price (£)
Small animal full profile: routine haematology, albumin, ALT, AP, bile acids, bilirubin, calcium, chloride, creatinine, globulin, glucose, phosphate, potassium, protein (total), sodium, urea	36.00
Small animal cardiac profile: routine haematology, albumin, ALT, AP, bile acids, calcium, cholesterol, CK, creatinine, globulin, glucose, phosphate, potassium, protein (total), sodium, T4	43.00
Small animal liver profile: protein (total), albumin, globulin, ALT, AP, GGT, bilirubin, bile acids	22.00
Kidney profile (all species): routine haematology, albumin, calcium, creatinine, globulin, phosphate, protein (total), urea (uric acid instead of urea in birds and reptiles)	28.00
Malabsorption profile (dog): TLI, folate and cobalamin	45.00
Malabsorption profile (cat): TLI, folate and cobalamin	50.00
Reptile and avian profile: routine haematology and smear report , albumin, amylase, AST, calcium, CK, GGT, globulin, glucose, LDH, phosphate, potassium, protein (total), sodium, uric acid	46.00
Rabbit profile: routine haematology, albumin, AST, bile acids, calcium, CK, creatinine, GGT, globulin, LDH, phosphate, potassium, protein (total), sodium, urea	36.00
Large animal full profile: routine haematology, albumin, CK, GLDH, AST, GGT, bile acids, calcium, creatinine, globulin, glucose, phosphate, potassium, protein (total), sodium, urea	36.00
Equine fitness profile: routine haematology, albumin, CK, AST, calcium, globulin, magnesium, phosphate, protein (total)	28.00
Ruminant metabolic profile: BHB, glucose, NEFA, urea, albumin, globulin, magnesium, phosphate, protein (total)	22.00
Ruminant mineral profile: calcium, magnesium, phosphate 4+ samples	12.00 9.00
Ruminant trace element profile: copper, GSH-Px 4+ samples	17.00 15.00
Adult beef cattle short profile: BHB, NEFA, albumin, magnesium, copper, GSH-Px 4+ samples	25.00 20.00
Adult dairy cattle short profile: BHB, NEFA, urea, albumin, globulin, phosphate, protein (total) 4+ samples	18.00 14.00
Youngstock short profile: Copper, GSH-Px, urea, albumin, globulin, protein (total) 4+ samples	22.00 20.00

Cytology:	Price (£)
Fluid analysis, basic: total protein, total cell count	12.00
Fluid analysis, full: total protein, total cell count, full cytology	28.00
Cytology only, fluid and/or smears:	
1 site	22.00
Additional sites (each)	11.00
Special stains on smears (Gram, ZN)	12.00
Urine:	
Dipstick only	6.00
Dipstick and deposit microscopic examination	12.00
Deposit microscopic examination only	8.00
Urine protein:creatinine ratio	15.00
Calculi analysis (qualitative)	22.00
Parasitology:	
Skin scraping for ectoparasites	11.50
Faecal worm egg count and coccidia	11.50
Faecal fluke eggs	11.50
Faecal lungworm larvae	15.00
Faecal Giardia (immunological)	13.00
Faecal occult blood	12.00
Histopathology:	
Formalin fixed tissue samples for routine H&E staining:	
1-3 tissues	35.00
Additional tissues (per sample)	7.50
Large biopsy with margin check	50.00
Special tinctorial stains (Gram, ZN, PAS, Oil red O) (per slide)	12.00
Immunohistochemistry (please enquire)	
Microbiology:	
Direct microscopic examination for bacteria and fungi	12.00
Routine bacterial culture and sensitivity	25.00
Salmonella screen	16.00
Fungal culture	18.00
Serology:	
An extensive range of serological and PCR tests are available from Biobest Diagnostics. Details are available at http://www.biobest.co.uk/diagnostics.html	

All prices exclude VAT. Prices are valid until Autumn 2012 unless otherwise notified.
