SAMPLE SUBMISSION INSTRUCTIONS

Thank you for requesting details of how to submit samples for rabies serology to Biobest. Our testing complies with the requirements of all European Pet Travel Schemes. Please read and follow these instructions carefully. If you have any questions or problems please contact any member of our office admin staff.

1. You will need to send us 1ml of serum or 2ml of clotted blood from your pet. Serum is preferable to clotted blood as it is more stable if the sample is subjected to extremes of temperature. If possible, have your veterinary surgeon centrifuge the blood sample and send only the serum
2. You will need a submission form for each sample, our import licences and a credit card payment form. Your Veterinary Surgeon must complete the submission form in full and this must accompany the sample. It is possible to send your samples and payment directly to Biobest.
3. All samples should come in a well padded leak proof container (IATA packing instructions 650).
4. Packages should be clearly labelled with the following information:
 - Import Licence numbers: (Scottish airports: 2004/001, English airports:TARP/2011/435)
 - Canine/feline serum samples, no commercial value.
 - Animal diagnostic specimens - not restricted.
 - Packed in compliance with IATA packing instructions 650.
 - Country of origin: (your country)
5. Please note: Please mark the maximum value of the goods as \$1, failure to do this will incur additional charges by UK customs and excise. All additional charges should be paid by the sender, do not mark the box 'bill receiver'. If possible do not use Federal Express. Packages requiring additional costs will not be accepted by Biobest and returned to sender.
6. You should also print our 3 import licences (Scottish and English) and include the copies of the licences with the other paperwork. We would also advise you to use a reputable courier so that the sample can be traced from when it leaves to when it arrives at Biobest.
7. There is no need to ensure samples remain frozen or refrigerated in transit provided they get to us within 5 -7 days of dispatch.
8. A completed form and payment must accompany each sample. If sending overseas samples direct to Biobest, please ensure you include all the completed paperwork. We prefer payment by credit/debit card. We accept payment by cash (sterling, dollars, euros or yen), or cheques payable in sterling. If you wish to pay by credit card please complete the credit card payment form and the correct amount will be debited in sterling from your account.
 - a. Non EU countries: Payment in Sterling of £39.50 per sample should accompany each sample. Sterling cheques should be made payable to Biobest. Payment in cash of 6,000 Yen, 70 US Dollars or 50 Euros is also acceptable.
 - b. EU countries: If a VAT number is included the cost per sample is £39.50 or 50 Euros. Where no VAT number can be supplied the cost per sample is £47.40 or 60 Euros inclusive of VAT.

(EU countries at date of writing are: Austria, Belgium, Cyprus (southern), Czech Rep, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Spain, Slovak Rep, Slovenia and Sweden.)
9. We normally test samples on the day of receipt. Results are usually available in 2-4 days and we will then post the certificate back to you by airmail.
10. For the UK pet travel scheme there is no set time from the date of vaccination to the time when the blood sample is taken. Most people take the sample 3-4 weeks after vaccination. For entry into other EU countries except Sweden the sample must be taken at least 30 days after the last vaccination. For entry into Sweden, the blood sample must be taken at least 120 days after the date of the last rabies vaccination. Please consult the relevant government and EU websites for further details.
11. Please note that should you need to contact us about your sample we will require the following information in order to trace your result: Animal Name, Owner Name, Vet Practice, Date and method of sending (ie post or courier). Without these details we won't be able to trace your sample or your result.

1. Routine Diagnostic Testing Services

We shall conduct diagnostic testing services ("Routine Diagnostic Testing Services") as follows:

- a. We will test a sample following its receipt as per any report or specification provided by us and in accordance with the test schedule and turnaround times publicised in our current marketing materials or on our website (www.biobest.co.uk). The testing schedule is subject to change by us without prior notification. We will use reasonable endeavours to ensure that tests are completed as per this schedule; however we make no guarantees of test times, unless specifically agreed to by us in writing. In this respect time shall not be of the essence. Upon request urgent tests may at our discretion be conducted outside the normal test schedule. In such circumstances additional charges may be applicable, and these shall be notified to you in advance of setting up the test.
- b. If a sample is received in a condition such that it is considered to be broken or otherwise unsuitable for testing, we will inform you immediately and request submission of a repeat sample. There will be no additional charge in such circumstances. However, we reserve the right to charge for the original and re-test where the unsuitable condition of the sample does not become apparent until during or after test completion.
- c. If we receive a request for test cancellation before we have set up the test, we will provide a full refund. If we receive a request for test cancellation after we have set up the test, we reserve the right to charge an amount to reflect our costs incurred up to the standard test price.
- d. If we receive a request from you to add a test to a sample already received, we will conduct this additional test providing there is sufficient material. The additional charge will be as per the standard test price.
- e. The diagnostic test service includes as standard faxed or posted report, and where specifically requested or required, telephoned or emailed results; interpretation of results by a veterinary surgeon; advice on sampling and submission; and supply of sampling kits where appropriate. We retain ownership of and retain all copyright and other intellectual property rights in all reports, written advice and other materials prepared by us.

2. Contract Research, Project Studies, Supply of Goods

We shall conduct contract research, project studies, supply of Goods and any other service or product that we supply which is not classified as a Routine Diagnostic Testing Service (together, "the Services"), as per the scope of work and terms and conditions specified and previously agreed to by us in writing in any tender request, proposal documentation and agreed contract. In the absence of any such agreed contract, these Conditions will apply. Unless otherwise agreed in writing payment terms for such research or study work will be 40% of contract value on signature of the contract by us, 30% on completion of testing and 30% on delivery of final report.

3. Samples and Results

- a. Unless otherwise agreed with us in writing, all samples received by us for Routine Diagnostic Testing Services shall become our property upon delivery of the sample to us or collection of the sample by us and, on the completion of Routine Diagnostic Testing Services, may be retained and used for research and development and other purposes. Any data or other results (and all intellectual property and other rights in them) arising from such use shall belong to us and you shall not have any rights in any of them.
- b. Unless otherwise agreed with us in writing, all data, results, reports and advice produced by us as a result of our carrying out the Routine Diagnostic Testing Services shall be our property and may be used for such purpose(s) as we decide from time to time.
- c. If you provide any data or information with, or relating to, the samples, we may use such data and information for our own purposes and provide it to third parties. If such data is "personal data" as defined in the Data Protection Act 1998, the following sentence applies. You agree that we may retain and pass to third parties (including but not limited to contract research organisations and vaccine manufacturers in order to inform such third parties of the provenance of samples, data or other results) your name, address and other personal data which we hold and you shall ensure that you have obtained the necessary consents from your directors and employees and other persons to enable us to use and disclose personal data as envisaged by this sentence.

4. Prices and Payment

- e. Evidence of such insurance shall be made available to us at any time on request.

6. Warranty of Performance

- a. We shall exercise all reasonable skill, care and professional due diligence in the performance of the Services, however we do not guarantee or warrant that any particular result is correct or otherwise.

7. Limitation of Liability

- a. Under no circumstances shall our liability for any loss or damage suffered by you or any other person as a result of our performance or non-performance of our obligations under this Contract be greater than £10,000 or the total sums received by us under the provisions of the Contract,

whichever is the greater. You shall indemnify us in respect of any loss sustained and any expenses incurred by us arising directly out of or in connection with your breach of this Contract.

- a. Any delay or failure by either party in performance hereunder, other than your obligation to pay us any monies due to us, shall be excused if and to the extent that such delay or failure is caused by occurrences beyond such party's reasonable control including but not limited to, acts of God, decrees or restraints of government, strikes, war, fire, riot, sabotage, terrorism and any other cause or causes whether similar or dissimilar to those already specified which cannot reasonably be controlled by either party. Such performance shall be so excused for the period during which such inability of the party to perform is so caused but for no longer period and shall be remedied as far as possible with all reasonable despatch. Any time period for performance shall be extended by a period equal in duration to any period during which such performance is excused by this Condition.

If the parties are unable to resolve any such dispute between them, either party may request that the parties seek to resolve the dispute through mediation using the services of the Centre for Dispute Resolution to facilitate the mediation process but this shall not prejudice a party's right to raise court or other proceedings.

12. Entire Agreement

This Contract and any other document referred to herein as being applicable contains the entire agreement of the parties with respect to the subject matter of this Contract and supersedes all prior agreements and arrangements whether written or oral between the parties with respect to the subject matter of this Contract.
